*Experience the thrill of the ocean*

Fullfill your dreams of learning about the wonders of the ocean with us & together we come home safely! We offer daily scuba diving from beginners to pro divers.

Looking to be surrounded by beautiful coral & marine life every day, whilst learning new skills and helping others to develop their passion for diving, you have come to the right place. The divemaster Training Experience gives you the opportunity to gain and develop your career as a dive-master and to experience day to day dive centre operations, learning new skills including dive centre management, maintenance, supervision, refining dive and training skills.

The experience includes the following skills: refining skills to map a reef, filling cylinders, fixing /maintaining equipment, planning dives and handling operational daily procedures.

Your daily tasks would start early mornings where you arrive before the clients and assist with dive setup and preparation of gear.

Assist Receptionist with greeting / letting clients fill in forms, do all dive checks eg Dive card qualifications, last dive check and daily front desk management task.

Furthermore, you will refine your training skills by Assisting instructors on courses, doing safety briefings before dives and debriefings after dives.

It is an amazing experience with so many opportunities to grow and gain experience not only as a diver but as a person too and this in a space where you are constantly surrounded by passionate people who will help and guide you on your journey to become a professional Dive-master and to assist you with furthering your career to becoming a Dive Instructor.

Please email us for more information.
